Prof. (Dr.) Satya Ranjan Acharya
Director, Dept. of Entrepreneurship Education

24.11.2023

Dear Mr. Rajesh Saha,

I am writing to express our appreciation for the successful integration of Quiklrn's LMS with Samsung Tabs at EDII, which has notably transformed our PGDM programs at the Entrepreneurship Development Institute of India (EDII, Ahmedabad).

Streamlined Technology Integration for Optimal Learning:
The integration of Quiklrn's LMS with Samsung Tabs has elevated the learning experience at our campus. Offering a consistent and user-friendly platform, these devices have made educational resources more accessible, thereby enhancing the quality of our teacher-student interactions and distinguishing our PGDM program.

Adaptable Learning Solutions for Diverse PGDM Course Delivery Needs:
The adaptability and customization capabilities of the Quiklrn platform, complemented by the interactive features of Samsung Tabs, have created a flexible and engaging educational environment. This has been instrumental in meeting the diverse needs of our students.

Enhanced Engagement and Accessibility:
The combination of Quiklrn and Samsung Tabs has significantly improved accessibility, fostering increased student engagement. The assistive learning features such as text-to-audio conversion, voice notes, and local language translation tools, along with an integrated notification and messaging system, have contributed to a more inclusive learning environment, while the interactive capabilities of the platform, coupled with the superior functionality of Samsung Tabs, have made learning more effective.

Real-Time Attendance and Course Progression Monitoring:
Quiklrn's real-time attendance and course progression monitoring have been invaluable in enhancing student participation and enabling educators to tailor teaching strategies for optimized learning outcomes.

Conclusion:
Implementing Quiklrn's LMS on Samsung Tabs at EDII has significantly streamlined our PGDM programs by automating various time-intensive tasks. This has not only enriched the learning experience but also optimized the administrative efficiency of program delivery.

Sincerely,

(Satya Ranjan Acharya)
